Peggy,

Can you please send the current terms of use when you have them?

Thank you, and thank you both for working on this.

You will be able to rent the track and use the equipment. I know I am working with the board office and to update the Fee Schedule. Things

are moving along. Please contact Peggy next week and hopefully everything will be updated so that you can complete your application.

Dear Mr. Dzbenski,

Thanks for meeting with me about community track and field at Princeton High School.

Below is contact information for Tim Brennan.

I think he would have information on reasonable practices for use of equipment, including necessary supervision and appropriate fees.

He is also a PHS track parent and the coaches would certainly be acquainted with him.
