Enter overall placers 1-2-3. Note which age categories are covered by overall placers.

Enter age group placers 1-2 – we usually award ONE in age group NOT covered by overall placers.

Awards to top 1-2-3, and ONE in each age category, **no double dipping, no duplication.**

Example: If winner is age 25, that covers first overall AND 20-29 age group, so skip 20-29 age group.

When presenting, as appropriate and as awards remain, go back to skipped age categories, 2nds, or random.
